---

**ORDER**

Petitioner Randall Tully Quinn has filed a *pro se* application for federal habeas corpus relief under 28 U.S.C. § 2254, challenging his conviction in the Superior Court of Putnam County, Georgia. Pet. for Writ of Habeas Corpus, ECF No. 1. Petitioner has also paid the \$5.00 filing fee for this case.

It is now **ORDERED** that, within thirty (30) days of the date of this Order, Petitioner amend his petition to include every unalleged possible constitutional error or

---

<sup>1</sup> In the petition, Petitioner named Johnson State Prison as the respondent in this proceeding. Because Petitioner is a prisoner in Autry State Prison, however, the proper respondent to the petition is Warden Curtis Carter. *See* 28 U.S.C. § 2242 (providing that the proper respondent to a petition for a writ of habeas corpus is “the person who has custody over [the petitioner]”); *see also Rumsfeld v. Padilla*, 542 U.S. 426, 434-35 (2004) (explaining that a petitioner’s custodian “is ‘the person’ with the ability to produce the prisoner’s body before the habeas court”). Accordingly, the style of this case has been corrected to show Warden Carter as the respondent. *See Jackson v. Chapman*, 589 F. App’x 490, 491 n.1 (11th Cir. 2014) (per curiam) (recognizing the district court’s *sua sponte* substitution of the proper respondent in a habeas action and citing *West v. Louisiana*, 478 F.2d 1026, 1029 (5th Cir. 1973), for the proposition that “denial of a habeas petition for failure to name the proper respondent ‘would give an unreasonably narrow reading to the habeas corpus statute’”). The Clerk is **DIRECTED** to update the docket accordingly.

deprivation entitling him to federal habeas corpus relief, failing which Petitioner will be presumed to have deliberately waived his right to complain of any constitutional errors or deprivations other than those set forth in his initial habeas petition. If amended, Petitioner will be presumed to have deliberately waived his right to complain of any constitutional errors or deprivations other than those set forth in his initial and amended habeas petitions.

It is further **ORDERED** that Respondent file an answer to the allegations of the petition and any amendments within sixty (60) days after service of this Order and in compliance with Rule 5 of the Rules Governing Section 2254 Cases. Either with the filing of the answer or within fifteen (15) days after the answer is filed, Respondent shall move for the petition to be dismissed or shall explain in writing why the petition cannot be adjudicated by a motion to dismiss. Any and all exhibits and portions of the record that Respondent relies upon must be filed contemporaneously with Respondent's answer or dispositive motion.

No discovery shall be commenced by either party without the express permission of the Court. Unless and until Petitioner demonstrates to this Court that the state habeas Court's fact-finding procedure was not adequate to afford a full and fair evidentiary hearing or that the state habeas court did not afford the opportunity for a full, fair, and adequate hearing, this Court's consideration of this habeas petition will be limited to an examination of the evidence and other matters presented to the state trial, habeas, and appellate courts.

Pursuant to the memorandum of understanding with the Attorney General of the State of Georgia, a copy of the petition and a copy of this Order shall be automatically served on the Attorney General and Respondent electronically through CM/ECF. A copy of this Order shall be served by the Clerk by U.S. mail upon Petitioner. Petitioner is

advised that his failure to keep the Clerk of the Court informed as to any change of address may result in the dismissal of this action.

**SO ORDERED**, this 11th day of June, 2024.
